Dr. Ahmed Minhajuddin is presently working as Director I/C of the National Research Institute of Unani Medicine for Skin Disorders, Hyderabad (Formerly Central Research Institute of Unani Medicine, Hyderabad). After receiving basic education from Hyderabad, he completed his B.U.M.S. from Sri Venkateswara University, Andhra Pradesh in 1989.

Dr. Ahmed Minhajuddin joined Central Council for Research in Unani Medicine (CCRUM) in 1992 and was posted at the Central Research Institute of Unani Medicine (CRIUM), Hyderabad. In August 1996, he was transferred from CRIUM, Hyderabad to Regional Research Institute of Unani Medicine (RRIUM), Kolkata, and subsequently transferred back to CRIUM, Hyderabad in November 2008.

In December 2020, Dr. Ahmed Minhajuddin was promoted as Deputy Director at the National Research Institute of Unani Medicine for Skin Disorders (NRIUMSD), Hyderabad. He has 30 years of experience in the field of Unani medical research. He has significantly contributed to clinical studies conducted by the CCRUM on several health conditions including Vitiligo, Psoriasis, Hyperlipidemia, Sinusitis, Bleeding Gums, and Dyspepsia.

Dr. Ahmed Minhajuddin has participated in and presented 30 Research papers at National and International Conferences; he has 15 publications to his credit. He has been conferred with 7 Mementoes of appreciation for his services. Based on his enormous contributions in the field of scientific research in Unani Medicine, Dr. Ahmed Minhajuddin is widely considered a leading researcher.
